

We are also proud to announce exclusively to you the release of our brand new Rowley Shoals DVD in 2010. If you are thinking about a dive/snorkel holiday like no other, email Liz for your free copy cruises@greatescape.net.au, we will also be uploading it to You Tube and the website in the coming months.

We have also just received much anticipated authorization from DEC that The Great Escape Charter Co can land our onboard chopper at Mitchell Falls. This means some exciting new walks on offer at the falls rather than just enjoying them from the air. More details to come.....

You may or may not have seen The Great Escape Charter Company in the press over the course of the year. We have welcomed on board reps from Qantas, Virgin Blue, The Australian and Sunday Times (QLD) newspapers. Be sure to grab your December copy of Qantas In Flight Mag and Virgin Blue's Voyeur magazine in January to read more. In addition, a Kimberley cruise aboard MV GREAT ESCAPE was voted the #1 Australian must-do experience in the November edition of Voyeur, Virgin Blue's In Flight Magazine. Yippee for the Kimberley!!

We have continued to support the community this year by donating to various charities such as the WA Variety Club, Starlight Foundation and locally, Kyle Andrews Foundation. We are also proud to be supporting Perth International Arts Festival again in 2010, for more information see our website <http://greatescape.net.au/about/affiliations> and www.perthfestival.com.au – enter the See 3 and Win competition to be in with a chance of winning a 13 night cruise for 2!!

We do try to keep up with technology here at Great Escape HQ so we could not resist creating our own 'Make your Great Escape' Facebook group page. Go to <http://www.facebook.com> then 'Groups' to join up. We would be delighted for you to share your fantastic stories aboard GE; favourite waterfalls? how big was your biggest fish? Favourite dive site? You can also share your positive experiences at www.totaltravel.com. Choose Broome and Tours to find our listing. If you like to "tweet", make sure you log onto twitter and follow MV Great Escape for updates on where the boat is and what the crew are up to.

We have been getting some great feedback about our website this year, in particular the Galleries. We post up a selection of images from each cruise, so be sure to check and tell your friends about it so you can brag about all the adventures and good times you had aboard GE. If you would also like to purchase any of the Great Escape Merchandise you can now do this at our website.

Finally, as the year draws to a close, all that remains is to wish you a very Merry Christmas and a fantastic new year which you can now of course welcome in with your brand new 2010 calendar.

Festive Regards from your friends at The Great Escape.

*Offer subject to availability. TGECC reserve the right to offer a different reel of the same value subject to availability. Confirmed booking is defined by a 20% deposit received by TGECC office.
